Dear Sir/ Madam,

CONFIRMATION AND ACKNOWLEDGEMENT AS OPS IHSAN COLLABORATIVE MEMBERS

We officially acknowledge and verify the collaboration between **Kembara Kitchen** together with Ops Ihsan, representing the coalition effort comprising 53 NGOs in Malaysia, working collectively to provide aid to Gaza. Our team is delighted to participate in this meaningful collaboration, as we share a common goal of extending assistance and support to those in need, particularly in the challenging circumstances faced by the people of Gaza. The collective strength of our coalition reflects our commitment to making a positive impact and fostering humanitarian efforts.

Key points of our collaboration include:

- Joint Initiatives** : Kembara Kitchen is actively engaging with OPS Ihsan in supplying 5,250 kg in the amount of 15,000 food pack (Ready-To-Eat) initiatives aimed at addressing the urgent needs of the affected communities in Gaza.
- Resource Sharing** : Both organizations are committed in pooling resources, expertise, and networks to maximize the effectiveness of our aid efforts.
- Collaborative Projects**: Kembara Kitchen and Ops Ihsan are working on specific projects named "Santapan Hero Meal" with supplying Ready-To-Eat meals via 3 date of deliveries; 22 October 2023 (100 kerton), 13 December 2023 (250 carton) and 20 Mac 2024 (400 carton). The project was initiated within the coalition's framework, with a focus on delivering aid where it is needed most.

This collaboration aligns with our shared values of compassion, solidarity, and the belief in the power of collective action to bring about positive change. We are confident that by combining our strengths, we can make a significant impact on the lives of those affected by the challenges in Gaza. The operation is closely coordinated with the Egyptian Government and the Egyptian Red Crescent Society to ensure smoother delivery of aid items to Gaza.
